**Buffalo Bills Player Damar Hamlin In Critical Condition After Collapsing On Field And Receiving CPR**

January 3, 2023

Buffalo Bills player, Damar Hamlin, is in critical condition after collapsing during Monday night's NFL game.

The 24-year-old safety fell to the ground following a play in the game and was reportedly given more than 9 minutes of CPR on the field.

As medical staff raced to the field and worked to help him, his team surrounded him, visibly shaken. The young ath-

**Oklahoma DB Gentry Williams released from hospital following collapse at practice, per report**

By Will Backus

An Oklahoma football player was taken to the **hospital Thursday morning after collapsing at practice**, according to **Oklahoma's athletics department**. A spokesperson from Norman Regional Hospital told KOCO News reports that Sooners defensive back **Gentry Williams was the player treated in the incident**. **KOCO's Abigail Ogle** reported Thursday afternoon that Williams was released from the hospital and re-

# Session Evaluation

- Your feedback is valuable, take a moment to complete the survey for this session.
- To claim CME, you must complete a separate survey available after the convention.

\* How likely are you to recommend this **content** to a colleague?

Not likely at all                      Neutral                      Extremely likely
