

URGENT CARE ASSOCIATION®

BOOKS TO READ THIS YEAR

Simon's Emergency Orthopedics 8E (PB) 8th Edition

Scott C. Sherman

Why We Love It

Any urgent care clinician will find this useful for the interpretation of extremity injuries, radiographs, and to help guide treatment. This is the most useful book on my shelf.

Bouncebacks! Medical and Legal

Mike B. Weinstock, MD, Kevin M. Klauer, MD, and T Marc Calvert, JD

Why We Love It

Anyone practicing urgent care medicine or emergency medicine.

The 7 Habits of Highly Effective People

Stephen R. Covey

Why We Love It

Best book I ever read. Talks about just being prepared.

Crucial Conversations

Joseph Grenny, Kerry Patterson, Ron McMillan, Al Switzler, Emily Gregory

Why We Love It

If a conversation is going to be emotional, this will help. It shows you if a problem is relationship or content. Great sister workbook too!

Dare to Lead

Brene Brown

Why We Love It

Helping you be a better leader.

The Trusted Advisor

David H. Maister

Why We Love It

Learn the trust equation.

Just Culture

Sidney Dekker

Why We Love It

Learning how to respond.

Emotional Intelligence for Dummies

Alicia Wise

Why We Love It

Keep a copy in my office for staff. It helps in all aspects of life and help put you in the other person's shoes.
